No. 433.—THE following Bills about to be introduced into the Legislative Council are published for general information:—

A BILL

intituled

It is hereby enacted by the Governor of the Straits Settlements with the advice and consent of the Legislative Council thereof as follows:—

2. Section 39 of Ordinance No. 44 (Bankruptcy) shall be numbered (1) and the following sub-sections are added thereto—

(2) The Registrar in each Settlement shall keep for each Settlement a separate list of all Receiving Orders and Adjudication Orders made in each Settlement; and on such list every such Order shall be forthwith entered under the headings of the letters of the Alphabet and every Order rescinding or annulling any such order shall be noted in any such list against the order rescinded or annulled.

3. Sub-section (2) shall not apply to Labuan.

OBJECTS AND REASONS.

The object of this Bill is to provide a ready means of information to intending purchasers and mortgagees of the existence of a defect in the title of the property concerned.

The reason of the Bill is that such information is not to be obtained from a search in the Registry of Deeds and is not otherwise easily available.

3. Sub-section (3) of section 116 of the principal Ordinance is deleted and the following is substituted therefor— Amendment of section 116 (3) of the principal Ordinance.

“(3) The Commissioners may cause any such obstruction to be removed or may themselves through their servants remove the same to a suitable place, there to remain at the risk of the owner and person offending, and may detain the same until the expenses of removal and detention are paid provided that such power of removal shall be exercised only in regard to such streets as the Commissioners shall by resolution have prescribed and in the personal presence of such officers as the Commissioners shall have nominated by resolution confirmed by the Governor in Council; provided also that the expense of removal shall not exceed \$4 per wagon trip and that the expense of detention shall be at the rate of \$1 per diem; provided further that if at the expiration of 7 days from the date of removal the expenses of removal and detention shall not have been paid, the matter that has been removed shall if it is not of the apparent value of \$25 or over become the property of the Commissioners, and if it is of the apparent value of over \$25 be sold by public auction and the proceeds thereof less expenses shall be held by the Commissioners and paid to the owner of the matter removed but if such proceeds are not claimed within one month of the sale as aforesaid they shall become the property of the Commissioners”.

Power to remove obstructions.

OBJECTS AND REASONS.

The object of this Bill is to give the Municipal Commissioners power to prosecute in the case of vehicles loitering or being left in public places, and to take charge of such vehicles and dispose of them if they are not claimed within a reasonable time.

The words of the first amendment repeat the words of section 14 (n) Ordinance No. 96 (Minor Offences) but under that Ordinance prosecutions are conducted by the Police only.

A BILL

intituled

AN Ordinance to amend Ordinance No. 125 (Merchant Shipping).

It is hereby enacted by the Governor of the Straits Settlements with the advice and consent of the Legislative Council thereof as follows:—

Short title.

1. This Ordinance may be cited as Ordinance No. 125 (Merchant Shipping) (Amendment No. 2) Ordinance, 1922.

Amendment of section 11 of the principal Ordinance.

2. Section 11 of Ordinance No. 125 (Merchant Shipping), hereinafter referred to as "the principal Ordinance", is amended by adding the following subsections after subsection (2) thereof:—

(2A) The Governor may appoint a Deputy Surveyor-General of Ships either generally for all the purposes of this Ordinance and of the rules made under it or for the purpose of particular parts, sections or rules.

(2B) Any act done by, to, or before a Deputy Surveyor-General of Ships within the powers conferred upon him shall have the same effect as if done by, to, or before the Surveyor-General of Ships.

Amendment of sections 15, 19, 285 and 394, and Schedule B of the principal Ordinance.

3.—(1) Section 15 (1) subsections (b), (c), (d) and (e), section 19, subsections (1) and (4), section 394 and Schedule B of the principal Ordinance are amended by substituting the words "seventy-five tons" for the words "fifty tons" and the words "one hundred and twenty-five tons" for the words "one hundred tons" wherever the said words "fifty tons" or "one hundred tons" respectively occur therein.

(2) Section 285 of the principal Ordinance is amended by substituting for the words "Master of a local-trade ship under fifty tons" the words "Master of a local-trade ship under seventy-five tons".

(3) A Master having a certificate issued at a date before the date of the coming into force of this Ordinance as Master of a local-trade ship under fifty tons shall be deemed to be a Master having a certificate as Master of a local-trade ship under seventy-five tons for all the purposes of the principal Ordinance as amended by this Ordinance.

OBJECTS AND REASONS.

This Bill makes two amendments.

The first concerns the post of Deputy Surveyor-General of Ships which has been recently created. Ordinance No. 125 (Merchant Shipping) does not at present provide for the appointment to the office and the duties attaching to it. The object of the Bill (section 2) is to enact the required provisions.

The second amendment (section 3) enables the masters and engineers of British local-trade ships of between twenty-five and one hundred and twenty-five tons to control slightly larger ships with their present certificates. The object of this amendment is to encourage the construction of larger ships and to allow of the carriage of more cargo.

A BILL

intituled

AN Ordinance to amend Ordinance No. 39 (Malacca Lands Customary Rights).

It is hereby enacted by the Governor of the Straits Settlements with the advice and consent of the Legislative Council thereof as follows:—

1. This Ordinance may be cited as Ordinance No. 39 (Malacca Lands Customary Rights) Amendment Ordinance, 1922.

2. The following section is added after section 8 of Ordinance No. 39 (Malacca Lands Customary Rights).

8A.—(1) The Governor in Council may, upon the report of the Resident Councillor, by provisional order declare that any customary land has for three consecutive years prior to the date of such provisional order not been used mainly or substantially for the planting of padi or other agricultural purposes but has been used mainly or substantially for building purposes and that the said land is no longer held under customary tenure.

Substitution
of Statutory
Grant for
customary
tenure in
certain cases.

(2) Such provisional order shall be registered by the Collector of Land Revenue in the register required to be kept by section 13 and a copy thereof shall be served upon the person (if any) in occupation of the land and also in some conspicuous place upon the land.

(3) Any person claiming that any right to or interest in such land has been or may be injuriously affected by such provisional order may within three months after the registration thereof apply by motion to a Judge of the Supreme Court for a declaration that such land has for three consecutive years prior to the date of such order been used

mainly or substantially for the planting of padi or other agricultural purposes and has not been used mainly or substantially for building purposes.

(4) If the Judge, from whose decision there shall be no appeal, shall decide that the land has during the period in question been used mainly or substantially for the planting of padi or other agricultural purposes and has not been mainly or substantially used for building purposes, the Governor in Council shall set aside the provisional order and the Collector of Land Revenue shall delete it from the Register.

(5) If no person applies by motion as mentioned in subsection (3) within three months of the registration of the provisional order or if the Judge decides that the land has during the period in question been used mainly or substantially for building purposes and has not been used mainly or substantially for the planting of padi or other agricultural purposes, the Governor in Council shall confirm the provisional order and thereupon such confirming order shall be registered by the Collector of Land Revenue in the register required to be kept by Section 13 and such confirming order shall be binding and conclusive against all parties and shall not be called in question in any Court of law.

(6) Whenever a confirming order of the Governor in Council has been registered as aforesaid the provisions of this Ordinance shall no longer apply to such land and the person against whom the confirming order has been registered under subsection (5) of this section shall deliver to the Collector of Land Revenue all documents of title in his possession relating to such land and shall receive in exchange therefor a Statutory Land Grant under the provisions of Ordinance No. 34 (Crown Lands) on such terms and conditions as the Governor thinks fit.

(7) If the person against whom a confirming order of the Governor in Council has been registered as aforesaid neglects or fails within one month thereafter to deliver to the Collector of Land Revenue all documents of title in his possession relating to such land the Collector of Land Revenue shall enter upon the land and the same shall be deemed to have been forfeited and vested in the Crown free from all rights, encumbrances, claims and demands whether claimed by the person against whom the said order has been registered as aforesaid or by any other person claiming by, through, under or in trust for him.

OBJECTS AND REASONS.

The object of this Bill is to empower the Governor in Council to make an order that land held by customary tenure under the Ordinance has ceased to be so held, upon the ground that for the previous three years it has been used, not for agricultural, but for building purposes. When such an order is made and documents of title are delivered the owner will receive a Statutory Grant as title to his land. If the documents are not delivered the land will be forfeited.

The reason for the Bill is that certain lands near Malacca now held by customary tenure are being used for building and not for agricultural purposes.

Penalty for not filing accounts.

14. Sections 27 to 31 (inclusive) of the principal Ordinance are hereby repealed.

Repeal.

OBJECTS AND REASONS.

The object of this Bill is to provide that the succession to the estates of deceased Mahomedans shall be governed by Mahomedan Law only, instead of by the present mixed provisions of English and Mahomedan Law in Ordinance No. 26 (Mahomedans) which relate to the subject.

The reasons for the Bill are that the Mahomedan community desire that the devolution of the estates of deceased Mahomedans should be so governed and that this privilege exists in most Mahomedan countries.
